Subject: RE: Ozone Designations Multistate Areas

We could put the TSD on the ozone designations SharePoint site and both edit it. That would work for us.

This is how we decided to split it up for now:

Michigan - Steve

Berrien
 Allegan
 Muskegon
 Schoolcraft
 Detroit

Ohio - Kathleen

Cleveland
 Columbus

Wisconsin - Jenny

Milwaukee
 Sheboygan
 Manitowoc
 Door

Chicago, IL-IN-WI - Eric

St. Louis, MO-IL - Eric

Louisville, KY-IN - Eric

Cincinnati, OH-IN-KY – Kathleen

Lynorae just called. She said she spoke to Rhea regarding multistate areas and, as we thought, Rhea's expectation is that there would be one TSD for multistate areas. I asked her if she wanted to split our two, one Region would do Cincinnati and one would take Louisville. She countered with just using OneDrive and both Regions could fill in their parts of the TSD. Does that work for you? Do we see any issues with this? I said I'd talk it over with you and we'd get back to her. And, remind me, who's doing IL?
